Use this form to request aggregated kWh usage data when:

- The building has **four or more** different Austin Energy electric customers AND
- No individual customer's usage exceeds 80% of the building's total kWh energy consumption*.

Complete all requested fields; forms with missing or inaccurate data, *including **invalid** meter numbers*, will not be processed.

Email this completed form to ECAD@austinenergy.com.   Questions? Call 512-482-5346

Note: *Provided data is meter usage data only, given in support of the ECAD ordinance. It does not reflect or serve as a substitute for billing data.*

Property Tax ID	Building Name	# of AE Customers By Building	All AE Electric Meter Numbers By Building (Please separate numbers by a comma or semi-colon)

* If the building has **three or less** Austin Energy customers AND all account holders have signed a 'Release of Information Authorization' form, request the data using the Commercial Services information and release form.   Email the completed form to AE Customer Care at AECommercial@austinenergy.com or fax to 512-505-3931. Please specify in the subject line or cover sheet "ECAD Information Request". Questions?
